Relying on our overseas warehouse in Dubai, United Arab Emirates, we have launched high-temperature environment adaptive and high

As a trusted 100kWh BESS battery storage system wholesale factory, we provide scalable, high-efficiency solutions compatible with mainstream inverters such as

LIPEP has a wealth of experience and our technical team can provide you with a customised energy storage and solar system tailored to your needs. We have in

MKC Group of Companies is an official partner in energy storage devices built on CATL battery systems ? a world leader in the production of lithium energy

MKC Group of Companies is an official partner in energy storage devices built on CATL battery systems ? a world leader in the production of lithium energy sources for electric transport and energy.

KSTAR outdoor cabinet ESS solution KAC 50 DP- BC 100 DE is designed for small to medium size of C & I energy storage and microgrid applications. Integrated with a CATL LFP battery solution, the

Housed in a weather-resistant IP55 cabinet, it combines a 100kWh LiFePO₄ battery pack with 50kW charge/discharge capability, supporting real-time monitoring and remote control via Ethernet, RS485,

This battery system consists of PCS, outdoor cabinet, battery racks and BMS, every cabinet integrates with intelligent HVAC inside. And this system has big advantages on safety, cycle
